

***NFTE Alumni email inviting your network to engage their organizations***

Subject: Engage Your Team in Fueling Futures on Nov. 15!

Dear [Colleague's Name],

I hope this message finds you well! As a NFTE (Network for Teaching Entrepreneurship) alum, I'm excited to reach out about a fantastic opportunity to make a meaningful impact in our community.

On November 15, we will celebrate #YouthEntrepreneurshipDay, a special event dedicated to supporting young innovators and promoting entrepreneurship education. NFTE helped me change my life. There are so many students who can benefit from their amazing program.

If you think the future will be brighter with more young people who are empowered to own their future, please join me in celebrating Youth Entrepreneurship Day. You and your organization can play a significant role in this event by promoting it within your network. Please consider sharing our vision on your platforms, hosting discussions among your team, or participating directly in the event. To learn more about how you and your employees can get involved, visit [nfte.com/fuelafuture](http://nfte.com/fuelafuture).

Let's work together to create a brighter future for our youth and the entrepreneurs of tomorrow!

Thank you for your support, and I look forward to discussing how we can collaborate.

Best regards,

[Your Name]
